

ITINERARY FOR TRIP TO ISRAEL

CaribIsrael is happy to host you on this visit. We expect and hope you will have an enjoyable time and will do everything in our effort to ensure it is.

Below is the itinerary we thought most appropriate for you. Note however, it is flexible and things can be changed around depending on your needs.

Please bring comfortable walking shoes, sneakers are advised. Jerusalem especially is very hilly and the Old City requires a lot of walking, you cannot drive through it. So be prepared for at least a 3 hour walk on that day.

Most sites require you to dress modestly so please no short pants or sleeveless on the days we visit Jerusalem and the churches in the North. Otherwise feel free to dress as you wish.

For most sites there are no entrance fees or if they exist it's quite minimal like US \$3 per person or per carload. You pay this for some museums and for entering the Mount of Beatitudes. The Dead Sea is the most expensive place to visit at a cost of US\$ 20 per person. Everywhere else is free.

For the days we are out all day you should budget at least US \$20-\$25 for lunch per person and dinner about US\$ 30 - \$40 per person (you pay less of course for vegetarian options).
